**Christian Family Holidays** have run holiday ventures for over 30 years & many families have described them as being amongst the best & most memorable family holiday experiences.

**We aim to give** families the chance to catch their breath & enjoy a break away from daily routines with others. The Christian aspect is an integral part of our time together as we focus on Jesus & His desire to give us life, life in all its fullness. Many have returned grateful for the fellowship & support they have experienced & come back again.

**We seek to provide** a relaxed and enjoyable week's holiday for the whole family. It is anticipated that the majority of those who come will want to share in the spiritual aspects of the holiday. Each morning, there is a time of family worship, with special activities for the children and young people. Families are then free to plan their day. Swimming sessions will be arranged daily and there will be some optional outings and visits during the week. If you wish, you can take part in sporting and other competitions. In the evening adults and young people meet together to talk, share, sing and pray.

- Families will be allocated a room according to the size of their group, singles will be required to share.
- Cubicled showers and large washrooms
- Prices include full board
- Sport and recreational activities

Although there are organised children's activities, parents remain responsible for the supervision of their children at all times.

**Aysgarth School** was established as a boys' boarding Prep School in 1877. It stands on a beautiful 50 acre site close to the village of Newton-le-Willows, about three miles from Bedale

**On site** there is plenty to do. There are two all-weather tennis courts and a number of separate playing fields which we will use for games and activities. You can easily find a peaceful corner within the grounds to unwind or read that special book. Inside there's a large sports hall with a stage and a modern indoor heated swimming pool. Meals will be served by the School's catering team in the light and airy dining room. There is also a magnificent chapel, a panelled library, and a number of common rooms (good for indoor games).

**The surrounding countryside** is spectacular, forming part of the Yorkshire Dales. You cannot fail to appreciate its beauty especially if you are a dedicated walker or keen cyclist! The cities of York and Durham are within reasonable travelling distance and the historic towns of Richmond and Ripon are nearby. There are many old castles and ruined sites - Fountains Abbey and Studley Water Garden (now a World Heritage Site). The Aysgarth Falls are a wonder to see and clamber around and the 85 acres of the Thorp Perrow Arboretum offer woodland trails, picnic places and children's play areas. Families can enjoy the Lightwater Valley Theme Park, or Big Sheep Little Cow Farm, or for the more daring, there is Aerial Extreme (an adventure ropes course). Tearooms also abound where you can sample Yorkshire baking and ice-cream at its best.

**The holiday** is a special opportunity to be in the company of like-minded people and to enjoy both the space and facilities the School provides in beautiful surroundings. For many years there have been two separate Family Holidays, these have now been joined together
